Farewell to Suzanne Coss!!

Sue has been a much loved and valued member of our team since 1989, back when we were Mitchell O'Brien & O'Meara Chemists. We thank Sue for her loyalty, care and dedication over the years. She will be dearly missed and we look forward to hearing about all her adventures during retirement.

Specials in our Great Buys catalogue are available from 13th August-4th September 2026. Purchase any item from the catalogue and enter online to win a \$700 Macpac PREZZEE eGift Card!

Healthy regards, Brendon, Emma & Justine

Effaclar AZ Gel Cream

Effaclar AZ Azelaic Acid Gel Cream is a lightweight daily moisturiser for acne prone skin, formulated for adults seeking a smoother looking, more even toned complexion. Powered by a gentle 10% azelaic acid gel complex combined with salicylic acid and hyaluronic acid, this acne prone moisturiser hydrates while helping improve the visible appearance of uneven texture and surface-level skin concerns.

The fast absorbing gel-cream texture leaves skin feeling fresh and comfortable, with visible improvements in the look of recurring blemishes and uneven tone within 7 days*.

- Gently exfoliates to visibly reduce post blemish marks, pigmentation and fine lines
- Suitable for all skin tones and types, including sensitive skin
- Lightweight hydration designed for daily use

**Cosmeto-clinical study, 81 subjects, after 4 weeks of twice daily usage.*

40ml \$65.95

herbs of gold™ Gut Care

- **Gut Care** contains Aloe Vera and Liquorice to maintain healthy mucous linings in the digestive system.
- Liquorice is a demulcent that soothes irritated tissue and gastrointestinal tract mucous membranes.
- Calendula is traditionally used in Western herbal medicine as an anti-inflammatory to help relieve mild gastrointestinal tract inflammation.
- L-Glutamine supports gastrointestinal mucosal membrane health.
- L-Glutamine and zinc support healthy digestive and immune system function.

Gut Care is naturally sweetened and is available in a delicious vanilla flavoured powder. **150g Powder \$53.50**

Souvenaid

- Souvenaid is a medical nutrition drink that is specially formulated to support memory function in the early stages of Alzheimer's disease.
- Powered by a unique combination of nutrients known as Fortasyn Connect, formulated to nutritionally support the growth of brain connections.
- Available in 125ml ready-to-drink liquid and 360g tins of powder.
- Backed by 20 years of evidence based research. Souvenaid is proven to slow memory and cognitive decline by an average of 60% in mild cognitive impairment due to Alzheimer's disease when taken daily for 3 years.

Individual results may vary.
4 x 125ml \$22.95 (Vanilla, Strawberry or Cappuccino)
360g Powder \$51.95
