Message from Brendon and Emma

Thank you to all our customers for their continued support during the Otho Street works. We are pleased to have parking available again at the front of the Chemist and are looking forward to the whole project being finished.

We had a wonderful time with our T4321 morning tea for Down Syndrome and raised \$621 and our Ashford Store \$537.

Thank you so much to everyone who supported this.

L. Kelly was the winner of the Easter Raffle at Ashford. The winners of the kids colouring in competition can be found on our Facebook page.

Influenza vaccinations are now available so talk to your Doctor as soon as possible. Our Autumn Specials catalogue runs from 5th-18th April. Purchase any item from the catalogue to go into the draw to win a KitchenAid Nespresso Coffee Machine valued at \$489.00

Healthy Regards,
Brendon & Emma

Ova Plus

TensCare Ova Plus period pain reliever offers a natural form of relief from period pain and the pain of secondary menstrual pain due to conditions such as endometriosis, fibroids or pelvic inflammatory disease. The unit applies a small electric current through two electrode patches placed on the lower abdomen. This causes the muscles in the uterine area to relax, leaving a calming analgesic effect. The unit is small and can be worn all day under clothing to provide continuous pain relief whilst maintaining a normal active lifestyle.
