INTRODUCING  
**MOSAIC HARMONY POWDERS**

**Bronzing | Blushing | Flushing**

Fake warm-summer skin, a gorgeous glow, or a fabulous flush with Napoleon's favourite reformulated Mosaic Powders. The complementary hues sit in a mosaic pattern which, when swept over the top with a brush, allows the hues to blend and harmonise together to create a flattering finish on the skin. Hello cheekbones, contours, and a healthy glow. Designed to suit all skin tones.
