CAMERA FINISH MATTE SETTING SPRAY

Control unwanted shine and achieve a satisfyingly smooth matte makeup finish. Vegan and lightweight, apply directly after makeup application or whenever you need to mattify and refresh your complexion throughout the day.

Skin conditioning ingredients Aloe Vera Leaf Juice and Sodium Hyaluronate lock in hydration to keep makeup in check, while the super smooth spray applicator dispenses a fine, undetectable mist.

Paraben, gluten and nut free.

Pro Tip: For an even longer lasting finish, spritz your face after priming but before you apply your base, then spritz again at the very end of your makeup routine.
