Happy, healthy New Year from all of us at Campbell & Freebairn. Our pharmacists are taking turns to enjoy vacation time with their families throughout January. You can still visit and talk with any of our 6 pharmacists. We always have at least 3 pharmacists available each week day, some days 5!

We proudly stand by our motto of Personal Service and Professional Care.

Our New Year Health catalogue runs from 13th January to 18th February. Purchase any item from the catalogue and enter online to WIN a Garmin Venu 2 GPS Smart Watch

Healthy regards,

Brendon, Emma & Justine

ETHICAL NUTRIENTS

PROFESSIONAL NATURAL MEDICINES

Ethical Nutrients Clinical NERVALGESIC

Pain physiology is complex, involving neuronal (nerve) and inflammatory processes, which trigger physical pain symptoms. The nervous system can then amplify those sensations, leading to a vicious pain cycle.

Levagen+™ PEA is a cutting-edge ingredient for mild nerve pain and inflammation. Combining PEA with Saffron and Thiamine, Nervalgesic™ works to break the pain cycle.

Directions: (Adults 18+) To relieve mild nerve pain, neuralgia and inflammation: Take 1 capsule twice daily.

To support nervous system function: Take 1 capsule daily or as advised by your pharmacist or healthcare practitioner.
