## **Soul Matte Longwear Lipstick**

Rich, vibrant colour meets supreme lip comfort. Soft in texture with a bouncy, cushion feel, this lightweight matte lip colour boasts a pigment-rich finish for long-lasting wear and contains film-forming polymers for evenly distributed colour every time. Apply directly from the bullet to the lips. If you struggle with achieving a clean, crisp lip line, try applying using a lip brush; begin at the corner of the lips and gently work the product towards the cupid's bow, then fill the lips to saturate with colour.

Vegan. Paraben free.

Available in 16 Luscious shades

# ROCKTAPE®

Go stronger, longer

### How Does RockTape Work?

When applied correctly, RockTape's unique elasticity causes the skin to form convolutions and wrinkle. This decompresses the tissue immediately below the skin. It is believed that this has three main effects:

- Fluid effect- improving blood and lymphatic flow in the taped area
- Mechanical effect- improving the slide and glide between tissue layers
- Neurological effect- altering the perception of pain and improving body awareness.
