Napoleon Perdis Colour Cult Lipstick

Napoleon Perdis Colour Cult Crème Lipstick is a vibrant and creamy lipstick. Featuring a long-lasting satin texture and lush, luminous finish that won't feather or fade. Made with skin conditioning ingredients such as candelilla and rice bran wax that deliver a hydrating sensation to nourish lips for all-day colour comfort. Vegan, and paraben, gluten, nut, and oil free.

How to Use: Apply directly from the bullet to the lips. If you struggle with achieving a clean, crisp lip line, try applying using a lip brush; begin at the corner of the lips and gently work the product towards the Cupid's bow, then fill the lips to saturate with colour.

Available in 18 shades (some limited edition)

\$45 each

Thank you for supporting us as we change the flow of scripts "in and out" in the pharmacy. We want to treat each customer fairly and have your medicines dispensed accurately, efficiently and always with a smile!

We sadly farewell Bindi, Charlotte and Matilda as they head off to uni this year. Good luck girls. And Jane is leaving us for sunnier coastal surrounds. We will miss her dearly.

Specials in our current catalogue are available until 16th February. Purchase any item from the catalogue and enter online to WIN an Apple iWatch Series 9 41mm valued at \$649!

Healthy regards, **Brendon, Emma &**

Keeping Hydrated with Hydralyte

Dehydration occurs when you use or lose more fluid than you take in. Illness, excessive sweating or alcohol consumption, heat, exercise and vomiting/diarrhoea are common causes! Dehydration presents when your body doesn't have enough water and other fluids to carry out its normal functions. If you don't replace lost fluids, you will get dehydrated.

Anyone may become dehydrated, but the condition is especially dangerous for young children and older adults.

Check out our range of Hydralyte products— Effervescent Electrolyte tablets, oral liquid and ice blocks.

Great NEW flavours available— Passionfruit Punch, Peach Crush and Watermelon Burst!
