Napoleon Perdis Eye Shadow Quad

Discover a smouldering spectrum of opulent eye shades. Featuring two buttery-smooth mattes and two high-pigmented foils, create natural definition, through to celestial dimension with the one complementing eyeshadow quad.

Skin conditioning antioxidant Vitamin E and Sunflower Seed Oil allow for seamless application and blending. Vegan. Paraben, gluten, and nut free.

Pro Tips- Matte Shades: To build intensity of colour, use a firm brush and pressing motion to apply. To blend harsh edges, use a fluffy brush and back-and-forth motion. Foil Shades: For soft, subtle sheen, apply with a brush or build full colour opacity using your fingertip.

For a soft wash of colour, apply with a soft, fluffy brush like Blending Brush BL5. For a richer intensity, tap product onto the eye with a dense eyeshadow brush like Eye Brush E3.

Make shadows go the distance and prevent creasing by prepping the eye with a base prior to applying your Colour Ritual Eyeshadow Quad. Create your base with your chosen shade of Luxe Lids Eye Stix and blend out with Blending Brush BL6 before applying your chosen shade of eyeshadow.

Receive a FREE Dual Ended Eye Brush with purchase of Napoleon Perdis Eye Shadow Quad!

January 2025

HAPPY NEW YEAR!

We wish to thank our valued customers for their loyalty and we look forward to another year of providing a high standard of customer service and care to our community.

With the high temperatures and lovely weather enticing people outside it's a timely reminder to ensure you have sunscreen, insect repellent and first aid products on hand. We have a comprehensive range in store that our friendly staff can assist with.

Specials in our Summer catalogue are available from 9th January—14th February. Purchase any item from the catalogue and enter online to WIN a \$700.00 Officeworks egiftcard!

Healthy regards, Brendon, Emma & Justine

RIPSNORE

Rip snore is a mouthpiece Mandibular Advancement Splint (MAS) that will reduce or stop snoring. It is registered with the Therapeutic Goods Association as a class one medical device and is made of Dynaflex plastic which is BPA free. Rip snore has a 98% success rate, when fitted correctly.

Tips for a good nights sleep:

- Avoid excessive caffeine, sweets and alcohol.
- Develop a routine (time you go to bed)
- Exercise at least 30 minutes a day.
- Use Rip snore every night to reduce or stop your snoring for a better nights sleep.
